

## COVER LETTER

03.11.2016

Dear Editor-in-Chief,

Please find enclosed our manuscript, "**Effect of *Garcinia cambogia* extract on serum leptin, ghrelin, adiponectin and insulin levels and body weights in rats fed the high lipid diet**" by Aysen Altiner et al., which we would like to submit for publication as a Original Research Article in Slovenian Veterinary Research.

All of the authors declare that they have all participated in the design, execution, and analysis of the paper, and that they have approved the final version. Additionally, there are no conflicts of interest in connection with this paper, and the material described is not under publication or consideration for publication elsewhere.

The manuscript has been presented in EFMC International Symposium on Medicinal Chemistry (as a poster), Lisbon, PORTUGAL, 7-11 September 2014.

Thank you for your time and assistance.

Sincerely,

Prof. Dr. Tanay Bilal
